# AGENDA ITEM #5: FTA Interlocal Agreement

### Interlocal Cooperation Contract Failure to Appear (FTA) Program

State of Texas  County of				
I. PARTIES AND AUTHORITY				
This Interlocal Cooperation Contract (Contract) is	entered into between the Department of Public ne State of Texas and the			
Court of the [City or County] of				
	tract as the Parties, under the authority granted in			
Tex. Transp. Code Chapter 706 and Tex. Gov't Cod	de Chapter 791 (the Interlocal Cooperation Act).			

#### II. BACKGROUND

As permitted under Tex. Transp. Code § 706.008, DPS contracts with a private vendor (Vendor) to provide and establish an automated FTA system that accurately stores information regarding violators subject to the provisions of Tex. Transp. Code Chapter 706. DPS uses the FTA system to properly deny renewal of a driver license to a person who is the subject of an FTA system entry.

#### III. PURPOSE

This Contract applies to each FTA Report submitted by the Court to DPS or its Vendor and accepted by DPS or its Vendor.

Court will supply information to DPS, through its Vendor, that is necessary to deny renewal of the driver license of a person who fails to appear for a complaint or citation or fails to pay or satisfy a judgment ordering payment of a fine and cost in the manner ordered by the Court in a matter involving any offense that Court has jurisdiction of under Tex. Code Crim. Proc. Chapter 4.

#### IV. PERIOD OF PERFORMANCE

This Contract will be effective on the date of execution and will automatically renew on the anniversary date of execution for up to three additional years unless terminated earlier.

#### V. COURT RESPONSIBILITIES

#### A. Written warnings

A peace officer authorized to issue citations within the jurisdiction of the Court must issue a written warning to each person to whom the officer issues a citation for a traffic law violation. This warning must be provided in addition to any other warnings required by law. The warning must state in substance that if the person fails to appear in court for the prosecution of the offense or if the person fails to pay or satisfy a judgment ordering the payment of a fine and cost in the manner ordered by the Court, the person may be denied

renewal of the person's driver license. The written warning may be printed on the citation or on a separate instrument.

#### B. FTA Report

An FTA Report is a notice sent by Court requesting a person be denied renewal in accordance with this Contract. The Court may submit an FTA Report to Vendor if a person fails to appear or fails to pay or satisfy a judgment as required by law. There is no requirement that a criminal warrant be issued in response to the person's failure to appear. The Court must make reasonable efforts to ensure that all FTA Reports are accurate, complete, and non-duplicative. The FTA Report must include the following information:

- 1. the jurisdiction in which the alleged offense occurred;
- 2. the name of the court submitting the report;
- 3. the name, date of birth, and Texas driver license number of the person who failed to appear or failed to pay or satisfy a judgment;
- 4. the date of the alleged violation;
- 5. a brief description of the alleged violation;
- 6. a statement that the person failed to appear or failed to pay or satisfy a judgment as required by law;
- 7. the date that the person failed to appear or failed to pay or satisfy a judgment; and
- 8. any other information required by DPS.

#### C. Clearance Reports

The Court that files the FTA Report has a continuing obligation to review the FTA Report and promptly submit appropriate additional information or reports to the Vendor. The clearance report must identify the person, state whether or not a fee was required, and advise DPS to lift the denial of renewal and state the grounds for the action. All clearance reports must be submitted immediately, but no later than two business days, from the time and date that the Court receives appropriate payment or other information that satisfies the person's obligation to that Court.

To the extent that a Court uses the FTA system by submitting an FTA Report, the Court must collect the statutorily required \$10.00 reimbursement fee. If the person is acquitted of the underlying offense for which the original FTA Report was filed, the Court will not require payment of the reimbursement fee.

Court must submit a clearance report for the following circumstances:

- the perfection of an appeal of the case for which the warrant of arrest was issued or judgment arose;
- 2. the dismissal of the charge for which the warrant of arrest was issued or judgment arose;
- 3. the posting of a bond or the giving of other security to reinstate the charge for which the warrant was issued;
- 4. the payment or discharge of the fine and cost owed on an outstanding judgment of the Court; or

5. other suitable arrangement to pay the fine and cost within the Court's discretion.

DPS will not continue to deny renewal of the person's driver license after receiving notice from the Court that the FTA Report was submitted in error or has been destroyed in accordance with the Court's record retention policy.

#### D. Quarterly Reports and Audits

Court must submit quarterly reports to DPS in a format established by DPS.

Court is subject to audit and inspection at any time during normal business hours and at a mutually agreed upon location by the state auditor, DPS, and any other department or agency, responsible for determining that the Parties have complied with the applicable laws. Court must provide all reasonable facilities and assistance for the safe and convenient performance of any audit or inspection.

Court must correct any non-conforming transactions performed by the Court, at its own cost, until acceptable to DPS.

Court must keep all records and documents regarding this Contract for the term of this Contract and for seven years after the termination of this Contract.

#### E. Accounting Procedures

Court must keep separate, accurate, and complete records of the funds collected and disbursed and must deposit the funds in the appropriate municipal or county treasury. Court may deposit such fees in an interest-bearing account and retain the interest earned on such accounts for the Court.

Court will allocate \$6.00 of each \$10.00 reimbursement fee received for payment to the Vendor and \$4.00 for credit to the general fund of the municipal or county treasury.

#### F. Non-Waiver of Fees

Court will not waive the \$10.00 reimbursement fee for any person that has been submitted on an FTA Report, unless the person is deemed to be indigent, or the person is acquitted of the charges for which the person failed to appear.

Failure to comply with this section will result in: (i) termination of this Contract for cause; and (ii) the removal of all outstanding entries of the Court in the FTA Report, resulting in the lifting of any denied driver license renewal status from DPS.

#### G. Litigation Notice

The Court must make a good-faith attempt to immediately notify DPS in the event that the Court becomes aware of litigation in which this Contract or Tex. Transp. Code Chapter 706 is subject to constitutional, statutory, or common-law challenge, or is struck down by judicial decision.

#### VI. PAYMENTS TO VENDOR

Court must pay the Vendor a fee of \$6.00 per person for each violation which has been reported to the Vendor and for which the Court has subsequently collected the statutorily required \$10.00 reimbursement fee. In the event that the person has been acquitted of the underlying charge or is indigent, no payment will be made to the Vendor or required of the Court.

Court agrees that payment will be made to the Vendor no later than the last day of the month following the close of the calendar quarter in which the payment was received by the Court.

DPS will not pay Vendor for any fees collected by Court.

#### VII. GENERAL TERMS AND CONDITIONS

- A. Compliance with Law. The Court understands and agrees that it will comply with all local, state, and federal laws in the performance of this Contract, including administrative rules adopted by DPS.
- B. Contract Amendment. DPS and Court may amend this Contract through a written amendment signed by an authorized signatory on behalf of the respective party.
- **C. Notice.** The respective party will send the other party notice as noted in this section.

D. Termination. Either party may terminate this Contract with 30 days' written notice. DPS may also terminate this Contract for cause if Court doesn't comply with Section V.F., Non-Waiver of Fees. After termination, the Court has a continuing obligation to report dispositions and collect fees for all violators in the FTA system at the time of termination. Failure to comply with the continuing obligation to report will result in the removal of all

outstanding entries of the Court in the FTA Report, resulting in the lifting of any denied driver license renewal status from DPS.

#### VIII. CERTIFICATIONS

The Parties certify that (1) the Contract is authorized by the governing body of each party; (2) the purpose, terms, rights, and duties of the Parties are stated within the Contract; and (3) each party will make payments for the performance of governmental functions or services from current revenues available to the paying party.

#### CLIENT: City of Ransom Canyon

DATE:\_March 31, 2020

STANDARD CONDITIONS: CLIENT and CONSULTANT (Parkhill, Smith & Cooper, Inc.) agree that the following Provisions shall be part of their Agreement.

#### **ARTICLE 1. SERVICES**

#### 1.1 INVOICING

Payments are due and payable pursuant to Texas Prompt Payment Act, Texas Government Code 2251.

#### 1.2 SERVICES DURING CONSTRUCTION

The CONSULTANT shall not supervise, direct or have control over the Contractor's work nor have any responsibility for the construction means, methods, techniques, sequences or procedures selected by the Contractor nor for the Contractor's safety precautions or programs in connection with the Work. These rights and responsibilities are solely those of the Contractor. The CLIENT agrees that the general contractor shall be solely responsible for jobsite and worker safety and warrants that this intent shall be carried out in the CLIENT's contract with the General Contractor.

The CONSULTANT shall not be responsible for any acts or omissions of the Contractor, any subcontractor, any entity performing any portions of the Work or any agents or employees of any of them. The CONSULTANT does not guarantee the performance of the Contractor and shall not be responsible for the Contractor's failure to perform its Work in accordance with the Contract Documents or any applicable laws, codes, rules or regulations.

#### 1.3 ESTIMATES OR OPINIONS OF PROBABLE CONSTRUCTION COST

In providing estimates or opinions of probable construction cost, the CLIENT understands that the CONSULTANT has no control over the cost or availability of labor, equipment or materials, or over market conditions or the Contractor's method of pricing, and that the CONSULTANT's estimates or opinions of probable construction costs are made on the basis of the CONSULTANT's professional judgment and experience. The CONSULTANT makes no warranty, express or implied, that the bids or the negotiated construction cost will not vary from the CONSULTANT's estimates or opinions of probable construction cost.

#### 1.4 HAZARDOUS MATERIALS

As used in this Agreement, the term hazardous materials shall mean any substances, including without limitation asbestos, toxic or hazardous waste, PCBs, combustible gases and materials, petroleum or radioactive materials (as each of these is defined in applicable federal statutes) or any other substances under any conditions and in such quantities as would pose a substantial danger to persons or property exposed to such substances at or near the project site.

Both parties acknowledge that the CONSULTANT's scope of services does not include any services related to the presence of any hazardous or toxic materials. In the event the CONSULTANT or any other person or entity involved in the project encounters any hazardous or toxic materials, or should it become known to the CONSULTANT that such materials may be present on or about the jobsite or any adjacent areas that may affect the performance of the CONSULTANT's services, the CONSULTANT may, at its sole option and without liability for consequential or any other damages, suspend performance of its services under this Agreement until the CLIENT retains appropriate qualified consultants and/or contractors to identify and abate or remove the hazardous or toxic materials and warrants that the jobsite is in full compliance with all applicable laws and regulations.

#### 1.5 ACCESSIBILITY

The CLIENT acknowledges that the requirements of the Americans with Disabilities Act (ADA), Texas Accessibility Standards (TAS) for projects in the State of Texas, and other federal, state and local accessibility laws, rules, codes, ordinances, and regulations will be subject to various and possibly contradictory interpretations. The CLIENT further acknowledges that the ADA is a Civil Rights law and not a building code, and does not have prescriptive language. The CONSULTANT, therefore, will use its reasonable professional efforts and judgment to interpret applicable accessibility requirements in effect as of the date of the execution of this Agreement, and as they apply to the Project. The CONSULTANT, however, cannot and does not warrant or guarantee that the CLIENT's Project will comply with all interpretations of the accessibility requirements and/or the requirements of other federal, state and local laws, rules, codes, ordinances and regulations as they apply to the Project.

All projects in the State of Texas must be submitted to the Texas Department of Licensing and Regulations (TDLR) – Elimination of Architectural Barriers (EAB) Division for plan review for compliance with TAS requirements. The CONSULTANT will include in the design of the Project all changes that are the result of the TDLR plan review. After construction of the project TDLR requires an inspection of the project for compliance confirmation. However, the CONSULTANT cannot and does not warrant or guarantee that different rules and or interpretation may be applied to the CLIENT's Project at the time of the final TDLR inspection. Compliance with changes required by the TDLR final inspection that were not mentioned in the TDLR plan review may be required.

#### 1.6 SERVICES BY CLIENT

CLIENT will provide access to work site, obtain applicable permits, provide all legal services in connection with the project, and provide environmental impact reports and energy assessments unless specifically included in the Scope of Work. CLIENT shall pay the costs of checking and inspection fees, zoning application fees, soils engineering fees, testing fees, surveying fees, and all other fees, permits, bond premiums, and all other charges not specifically covered by the terms of this Agreement.

#### 1.7 OWNERSHIP OF DOCUMENTS

All reports, drawings, specifications, computer files, field data, notes, data on any form of electronic media, and other documents prepared by the CONSULTANT as Instruments of Service shall remain the property of the CONSULTANT. The CONSULTANT shall retain a

common law, statutory and other reserved rights, including copyrights.

The CONSULTANT grants to the CLIENT a nonexclusive license to reproduce the CONSULTANT's Instruments of Service solely for the purpose of constructing, using and maintaining the Project. The CLIENT shall not use the Instruments of Service for other projects without prior written agreement of the CONSULTANT.

The CLIENT shall not make any modification to the Instruments of Service without the prior written authorization of the CONSULTANT. The CLIENT agrees, to the fullest extent permitted by law, to indemnify and hold harmless the CONSULTANT against any damages, liabilities or costs, including reasonable attorney's fees and defense costs, arising from or allegedly arising from or in any way connected with the unauthorized reuse or modification of the Instruments of Service by the CLIENT or any person or entity that acquires or obtains the Instruments of Service from or through the CLIENT without the written authorization of the CONSULTANT.

#### 1.8 DELIVERY OF ELECTRONIC FILES

In accepting and utilizing any form of electronic media generated and furnished by the CONSULTANT, the CLIENT agrees that all such electronic files are Instruments of Service of the CONSULTANT. The CLIENT is aware that differences may exist between the electronic files delivered and the printed hard-copy Contract Documents. In the event of a conflict between the original signed Contract Documents prepared by the CONSULTANT and electronic files, the original signed and sealed hard-copy Contract Documents shall govern.

Electronic files created by the CONSULTANT through the application of software licensed for the sole and exclusive use by the CONSULTANT will be furnished to the CLIENT in read-only format. The CLIENT is responsible to obtain and maintain software licenses as appropriate for the use of electronic files provided by the CONSULTANT.

Under no circumstances shall delivery of electronic files for use by the CLIENT be deemed a sale by the CONSULTANT, and the CONSULTANT makes no warranties, either express or implied, of merchantability and fitness for any particular purpose. In no event shall the CONSULTANT be liable for indirect or consequential damages as a result of the CLIENT's use or reuse of the electronic files.

#### **ARTICLE 2. GENERAL PROVISIONS**

#### 2.1 APPLICABLE LAW

This agreement shall be interpreted and enforced according to the laws of the State of Texas, unless agreed otherwise.

#### 2.2 PRECEDENCE OF CONDITIONS

Should any conflict exist between the terms herein and the terms of any purchase order or confirmation issued by CLIENT, the terms of these Standard Conditions shall prevail.

#### 2.3 ASSIGNMENT

Neither party to this Agreement shall transfer, sublet or assign any rights or duties under or interest in this Agreement, including but not limited to monies that are due or monies that may be due, without the prior written consent of the other party. Subcontracting to subconsultants, normally contemplated by the CONSULTANT as a generally accepted business practice, shall not be considered an assignment for purposes of this Agreement.

#### 2.4 AMENDMENTS

This agreement may be amended only by a written instrument, signed by both CLIENT and CONSULTANT, which expressly refers to this agreement.

#### 2.5 DELAYS

The CLIENT agrees that the CONSULTANT is not responsible for damages arising directly or indirectly from any delays for causes beyond the CONSULTANT'S control. For purposes of this Agreement, such causes include, but are not limited to, strikes or other labor disputes; severe weather disruptions or other natural disasters or acts of God; fires, riots, war or other emergencies; failure of any government agency to act in timely manner; failure of performance by the CLIENT or the CLIENT's contractors or consultants; or discovery of any hazardous substances or differing site conditions.

In addition, if the delays resulting from any such causes increase the cost or time required by the CONSULTANT to perform its services in an orderly and efficient manner, the CONSULTANT shall be entitled to a reasonable adjustment in schedule and compensation.

#### 2.6 INSURANCE

The CONSULTANT agrees to provide Professional Liability Insurance and General Liability Insurance during the scope of the services provided for this project and for a period of 3 years after the completion of services.

#### 2.7 MERGER: WAIVER: SURVIVAL

Except as set forth in AMENDMENT above, this agreement constitutes the entire and integrated agreement between the parties hereto and supersedes all prior negotiations, representations and/or agreements, written or oral. One or more waiver of any term, condition or other provision of this agreement by either party shall not be construed as a waiver of a subsequent breach of the same or any other provisions. If any term or provision of this Agreement is held to be invalid or unenforceable under any applicable statute or rule of law, such holding shall be applied only to the provision so held, and the remainder of this Agreement shall remain in full force and effect.

#### 2.8 TERMINATION

In the event of termination of this Agreement by either party, the CLIENT shall within 15 calendar days of termination pay the CONSULTANT for all services rendered and all reimbursable costs incurred by the CONSULTANT up to the date of termination, in accordance with the payment provisions of this Agreement.

The CLIENT may terminate this Agreement for the CLIENT's convenience and without cause upon giving the CONSULTANT not less

than seven calendar days' written notice.

Either party may terminate this Agreement for cause upon giving the other party not less than seven calendar days' written notice for any of the following reasons:

- Substantial failure by the other party to perform in accordance with the terms of this Agreement and through no fault of the terminating party;
- Assignment of this Agreement or transfer of the Project by either party to any other entity without the prior written consent of the other party;
- Suspension of the Project of the CONSULTANT's services by the CLIENT for more than 90 calendar days, consecutive or in aggregate;
- Material changes in the conditions under which this Agreement was entered into, the Scope of Services or the nature of the Project, and the failure of the parties to reach agreement on the compensation and schedule adjustments necessitated by such changes.

#### 2.9 CONSEQUENTIAL DAMAGES

Notwithstanding any other provision of this Agreement, and to the fullest extent permitted by law, neither the CLIENT nor the CONSULTANT, their respective officers, directors, partners, employees, contractors or subconsultants shall be liable to the other or shall make any claim for any incidental, indirect or consequential damages arising out of or connected in any way to the project or this Agreement. This mutual waiver of consequential damages shall include, but is not limited to, loss of use, loss of profit, loss of business, loss of income, loss of reputation and any other consequential damages that either party may have incurred from any cause of action including negligence, strict liability, breach of contract and breach of strict or implied warranty. Both the CLIENT and the CONSULTANT shall require similar waivers of consequential damages protecting all the entities or persons named herein in all contracts and subcontracts with others involved in this project.

#### 2.10 THIRD-PARTY BENEFICIARIES

Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the CLIENT or the CONSULTANT. The CONSULTANT'S services under this Agreement are being performed solely for the CLIENT'S benefit, and no other party or entity shall have any claim against the CONSULTANT because of this Agreement or the performance or nonperformance of services hereunder. The CLIENT and CONSULTANT agree to require a similar provision in all contracts with contractors, subconsultants, vendors and other entities involved in this Project to carry out the intent of this provision.

#### 2.11 MAINTENANCE/WEAR AND TEAR

Both the CLIENT and CONSULTANT acknowledge that the CLIENT, and only the CLIENT, is responsible for maintenance, wear and tear on the project upon substantial completion. The CLIENT is responsible for providing routine inspections and maintenance of the project to maintain a safe and weather tight facility. Should the CLIENT fail to provide routine inspections and maintenance, and damage occur to the project, the CONSULTANT is not responsible for any such resultant damage.

#### **ARTICLE 3. ALLOCATION OF RISK**

#### 3.1 STANDARD OF CARE

In providing services under this Agreement, the CONSULTANT shall perform in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances at the same time and in the same or similar locality. The CONSULTANT makes no warranty, express or implied, as to its professional services rendered under this Agreement.

#### 3.2 DISPUTE RESOLUTION

CONSULTANT and CLIENT agree to negotiate all disputes between them in good faith for a minimum of 30 days from the date of notice. Should such negotiations fail, the CONSULTANT and CLIENT agree that any dispute between their arising out of, or relating to, this Agreement shall be submitted to nonbinding mediation prior to exercising any other rights under law, unless the parties mutually agree otherwise.

#### 3.3 BETTERMENT

If, due to an error or an omission by the CONSULTANT, any required item or component of the project is omitted from the Construction Documents, the CONSULTANT shall not be responsible for paying the cost to add such item or component to the extent that such item or component would have been otherwise necessary to the project or otherwise add value or betterment to the project.
