

October 10, 2018

The City of Lubbock will be **spraying** Ransom Canyon **for mosquitoes** sometime **between 10am and 2pm on Thursday, October 11th**, weather permitting. **PLEASE MAKE NOTE THAT THIS SPRAYING WILL OCCUR DURING THE DAY.**

The Town of Ransom Canyon Operations Department will spray Ransom Canyon for mosquitoes **Friday, October 12th, sometime after 8pm**, weather permitting.

Every effort is being made to control mosquito populations after the recent rains and reports of West Nile Virus in Lubbock County. Mosquitoes can breed in a single drop of water. Please check around your home and drain any standing water in plant pots, etc.

Thank you!
